

Supervision Pricing April 2016

As professional coaches, we are all responsible for ensuring we have sufficient supervision for our coaching practice. The EMCC's minimum requirement is: 1 session per quarter for Foundation / Practitioner Coaches or 1 hour for 35 hrs of coaching, Senior Practitioner / Master and Supervisors.
The OCM supports this commitment by offering a range of supervision options.

Supervision is a complex skill. OCM supervisors are highly professional with exceptional experience in coach mentor supervision, reflective practice and group dynamics, with the ability to build the relationship and environment required for effective supervision to take place.

Service	Coaching Services 1:1 Supervision	25% Discount applies to:- Associates, Alumni (applies to all if paying personally or through organisation) Not for profit organisation (includes charities, education and public sector organisations) Individual self-employed payee (cannot be combined with 'not for profit')
